

SC SHRM State Conference 2018, September 24 - 26

Speaker's Info

This year we are doing something a little different. You will only complete the detailed speaker information form if you are selected to actually speak at the conference.

Overall theme is the rebirth of HR - it is more important than ever in these days when just about every news story is an HR story.

If you are interested in speaking at the conference, please email your information, presentation topic and a video or link to a video to: Teresa Vaughn, 2018 Conference Chair at tv@jjins.com.

The video does NOT have to be of the presentation topic you are suggesting for our conference. It will be reviewed and you will be notified of the decision one way or the other.

Please submit as soon as you have your information ready. Reviews have already begun. Thank you!
